### WORDS INTO EXPRESSIONS

Ref: G211. **3S1**

<b>A1</b> Write an algebraic expression for: $a$ add four	<b>A2</b> Write an algebraic expression for: $b$ taken from six	<b>A3</b> Write an algebraic expression for: $a$ times three	<b>A4</b> Write an algebraic expression for: five divided by $b$
<b>B1</b> Write an algebraic expression for: $a$ less than nine	<b>B2</b> Write an algebraic expression for: $b$ more than eleven	<b>B3</b> Write an algebraic expression for: $a$ squared	<b>B4</b> Write an algebraic expression for: $b$ trebled
<b>C1</b> Write an algebraic expression for: $a$ add $b$	<b>C2</b> Write an algebraic expression for: $a$ taken from $b$	<b>C3</b> Write an algebraic expression for: $b$ times $a$	<b>C4</b> Write an algebraic expression for: $a$ shared between $b$
<b>D1</b> Write an algebraic expression for: $c$ subtracted from $d$	<b>D2</b> Write an algebraic expression for: $n$ lots of $m$	<b>D3</b> Write an algebraic expression for: $q$ divided by $p$	<b>D4</b> Write an algebraic expression for: $f$ minus $g$
<b>E1</b> Write an algebraic expression for: $x$ less than $y$	<b>E2</b> Write an algebraic expression for: $x$ subtract $y$	<b>E3</b> Write an algebraic expression for: $x$ subtracted from $y$	<b>E4</b> Write an algebraic expression for: $x$ shared between $y$

## UNDERSTANDING ALGEBRA

### WORDS INTO EXPRESSIONS

Ref: G211. **3S1**

<b>A1</b> Write an algebraic expression for: $a$ add four $a + 4$	<b>A2</b> Write an algebraic expression for: $b$ taken from six $6 - b$	<b>A3</b> Write an algebraic expression for: $a$ times three $3a$	<b>A4</b> Write an algebraic expression for: five divided by $b$ $\frac{5}{b}$
<b>B1</b> Write an algebraic expression for: $a$ less than nine $9 - a$	<b>B2</b> Write an algebraic expression for: $b$ more than eleven $11 + b$	<b>B3</b> Write an algebraic expression for: $a$ squared $a^2$	<b>B4</b> Write an algebraic expression for: $b$ trebled $3b$
<b>C1</b> Write an algebraic expression for: $a$ add $b$ $a + b$	<b>C2</b> Write an algebraic expression for: $a$ taken from $b$ $b - a$	<b>C3</b> Write an algebraic expression for: $b$ times $a$ $ab$	<b>C4</b> Write an algebraic expression for: $a$ shared between $b$ $\frac{a}{b}$
<b>D1</b> Write an algebraic expression for: $c$ subtracted from $d$ $d - c$	<b>D2</b> Write an algebraic expression for: $n$ lots of $m$ $mn$	<b>D3</b> Write an algebraic expression for: $q$ divided by $p$ $\frac{q}{p}$	<b>D4</b> Write an algebraic expression for: $f$ minus $g$ $f - g$
<b>E1</b> Write an algebraic expression for: $x$ less than $y$ $y - x$	<b>E2</b> Write an algebraic expression for: $x$ subtract $y$ $x - y$	<b>E3</b> Write an algebraic expression for: $x$ subtracted from $y$ $y - x$	<b>E4</b> Write an algebraic expression for: $x$ shared between $y$ $\frac{x}{y}$
